

MEMBERSHIP

The membership of the Historical Society are Floridians who are dedicated to educating the State's citizens about the courts' vital role in our system of government and to preserving Florida's independent judicial system.

Many Society members are lawyers and judges who work daily within the justice system, other members are educators, business leaders, public officials, and private citizens. The Society is a not-for-profit organization that depends on membership revenues to operate. We need the participation and support of individuals who recognize the importance of protecting and maintaining a strong, independent system of justice.

You are making a direct contribution to Florida's important constitutional heritage! Thank you!
